Use of CCTV (Closed Circuit Television) policy

1. Introduction

- 1.1. The purpose of this policy is to regulate the management, operation and use of the CCTV system (Closed Circuit Television) at St. Anthony's Girls' Catholic Academy, hereafter referred to as 'the school'.
- 1.2. The system comprises of a number of static I.P. (Internet Protocol) cameras located in and around the school site. Footage is recorded to a D.V.R. (Digital Video Recording) and images are only available to senior staff.
- 1.3. This Policy has been drawn up using advice from the Information Commissioner's Office (ICO) and in line with the ethos of the academy.
- 1.4. The School Policy will be subject to review annually.

2. Objectives

- 2.1. To protect pupils, staff and visitors.
- 2.2. To increase personal safety and reduce the fear of crime.
- 2.3. To protect the school buildings and assets.
- 2.4. Without prejudice, to protect the personal property of pupils, staff and visitors.
- 2.5. To support the police in preventing and detecting crime.
- 2.6. To assist in identifying, apprehending and prosecuting offenders.
- 2.7. To assist in managing the school.

3. Statement of intent

- 3.1. The CCTV system will seek to comply with the requirements both of the Data Protection Act and the Information Commissioner's Code of Practice.
- 3.2. The school will treat the system, all information, documents and recordings (both those obtained and those subsequently used) as data protected under the Act.

- 3.3. Cameras will be used to monitor activities within the school and its grounds to identify criminal activity actually occurring, anticipated, or perceived. It will be used for the purpose of securing the safety and wellbeing of the pupils, staff and school together with visitors. The system has been designed to deny observation on adjacent private homes, gardens and other areas of private property.
- 3.4. Materials or knowledge secured as a result of CCTV will not be used for any commercial purpose.
 - 3.4.1. CCTV images will only be released to the media for use in the investigation of a specific crime with the written authority of the police.
 - 3.4.2. CCTV images will never be released to the media for purposes of entertainment.
- 3.5. The planning and design has endeavoured to ensure that the system will give maximum effectiveness and efficiency but it is not possible to guarantee that the system will cover or detect every single incident taking place in the areas of coverage.
- 3.6. A warning sign, as required by the Code of Practice of the Information Commissioner is clearly visible at Reception.

4. Management of the system

- 4.1. The Head Teacher will act as the Data Controller (CCTV), in accordance with the principles and objectives expressed in the policy.
- 4.2. The day-to-day management will be the responsibility of both the Head Teacher and Senior Assistant Head Teacher who will act as the System Manager.
- 4.3. The system and the data collected will only be available to the Data Controller, the Head Teacher and the System Manager.
- 4.4. The CCTV system will be operated 24 hours each day, every day of the year.
- 4.5. The System Manager will check and confirm the efficiency of the system daily and in particular that the equipment is properly recording and that cameras are functional.

- 4.6. Unless an immediate response to events is required, cameras will not be directed at an individual, their property or a specific group of individuals, without authorisation in accordance with the Regulation of Investigatory Power Act 2000.
- 4.7. The footage is never viewed unless it is requested by the Senior Leadership Team investigating an incident.

5. LIAISON

- 5.1. Liaison meetings may be held with all bodies involved in the support of the system.

6. DOWNLOAD MEDIA PROCEDURES

- 6.1. In order to maintain and preserve the integrity of the data (and to ensure their admissibility in any legal proceedings) any download media used to record events from the hard drive must be prepared in accordance with the following procedures: -
 - 6.1.1. Each download media must be identified by a unique mark.
 - 6.1.2. Before use, each download media must be cleaned of any previous recording.
 - 6.1.3. The System Manager will register the date and time of download media insertion, including its reference.
 - 6.1.4. Download media required for evidential purposes must be sealed, witnessed and signed by the System Manager, then dated and stored in a separate secure evidence store. If a download media is not copied for the police before it is sealed, a copy may be made at a later date providing that it is then resealed, witnessed and signed by the System Manager, then dated and returned to the evidence store.
 - 6.1.5. If download media is archived the reference must be noted.
- 6.2. Images may be viewed by the police for the prevention and detection of crime and by senior leadership team staff.
- 6.3. A record will be maintained of the release of any download media to the police or other authorised applicants.

- 6.4. Viewing of images by the police will be recorded in writing.
- 6.5. Should images be required as evidence, a copy may be released to the police under the procedures described in this policy. Images will only be released to the police on the clear understanding that the download media (and any images contained thereon) remains the property of the school, and download media (and any images contained thereon) are to be treated in accordance with Data Protection legislation. The school also retains the right to refuse permission for the police to pass the downloaded media (and any images contained thereon) to any other person. On occasions when a Court requires the release of a downloaded media this will be produced from the secure evidence store, complete in its sealed bag.
- 6.6. The police may require the school to retain the downloaded media for possible use as evidence in the future. Such downloaded media will be properly indexed and securely stored.
- 6.7. Applications received from outside bodies (e.g. solicitors) to view or release images will be referred to academy legal advisors.

7. ASSESSMENT OF THE SYSTEM AND CODE OF PRACTICE

- 7.1. Performance monitoring, including random operating checks, may be carried out by the Head Teacher or the Data Controller.

8. COMPLAINTS

- 8.1. Any complaints in relation to the school's CCTV system should be addressed to the Head Teacher.

9. ACCESS BY THE DATA SUBJECT

- 9.1. Parents may make a subject access report to view the footage if their child is unable to act on their own behalf or has given their consent. All those in the footage must also give their consent. It is highly unlikely that this type of data can be disclosed in a permanent format as the requester could potentially use the images for any purpose.
- 9.2. Requests for Data Subject Access should be made to the Data Protection Officer.

10. PUBLIC INFORMATION

- 10.1. Copies of this policy are available to all stakeholders and the public on the academy website.

11. SUMMARY OF KEY POINTS
