

A Level Results Day 2016

Congratulations to the whole community at St. Anthony's Girls' Catholic Academy on another year of A level success:

- 100% pass rates were achieved in thirty three A level subjects.
- 44% of girls achieved one, two or three A* or A grades at A level.

Girls of all abilities, in our inclusive and mixed ability sixth form, have been successful across all subject areas showing a continued trend of achievement and progress over many decades. Girls who joined us for sixth form, from 11-16 schools within and beyond the city, continue to be very successful.

There are some fantastic individual success stories.

To name just a few:

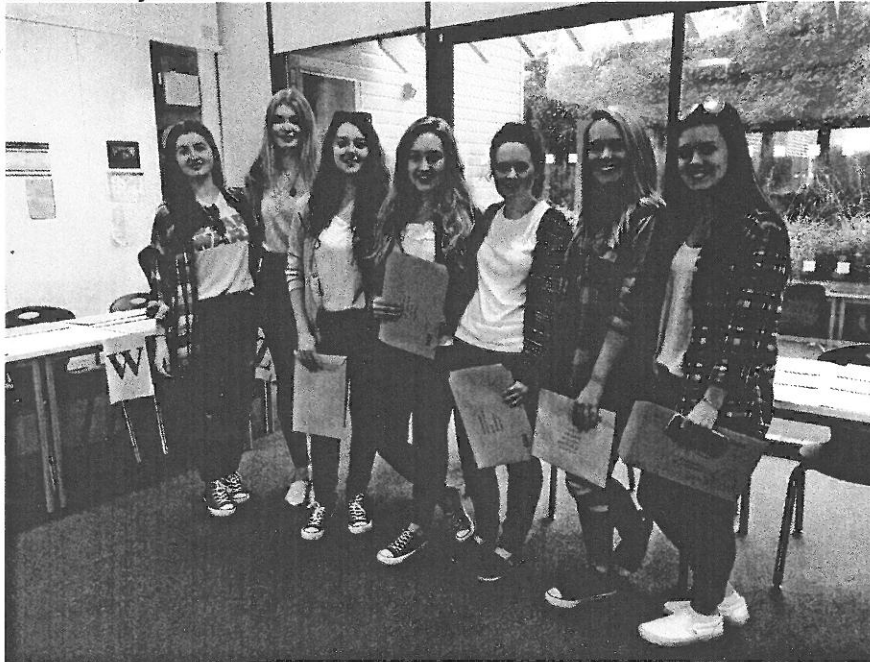

- A student who is leaving us to study History at Jesus College, Cambridge.
- Twins who achieved six A grades between them in Mathematics and Science.
- Another girl off to Newcastle University Medical School.
- Our Head Girl who achieved A* A* A in Classics, History and Literature
- Outstanding success achieved by our Child Care students.
- Students who have obtained a number of Advanced Apprenticeship posts in various branches of the Civil Service.
- Two girls studying Physics at University.
- Several girls beginning Nursing degree courses.

These are just a few of the many and varied success stories this morning.

Best wishes to every girl as she takes the next steps to university, advanced apprenticeships, the world of work etc. We are here if any additional advice and guidance is required. Thank you to our wonderful parents, staff and governors who have supported them.

Registration for Sixth Form September 2016 takes place from 10am-3pm on GCSE results day (Thursday 25th August).

Results Day 2016
