St. Anthony's Girls' Catholic Academy promotes the fundamental British values of

- democracy
- the rule of law
- individual liberty
- mutual respect and tolerance of those with different faiths

in all aspects of the work it undertakes.

Promoting:

- an understanding of how citizens can influence decision-making through the democratic process
- an appreciation that living under the rule of law protects individual citizens and is essential for their wellbeing and safety
- an understanding that there is a separation of power between the executive and the judiciary, and that while some public bodies such as the police and the army can be held to account through Parliament, others such as the courts maintain independence;
- an understanding that the freedom to choose and hold other faiths and beliefs is protected in law;
- an acceptance that other people having different faiths or beliefs to oneself (or having none) should be accepted and tolerated, and should not be the cause of prejudicial or discriminatory behaviour;
