15th September 2020

Dear Parent/Carer,

With so much news regarding covid-19 we would like to share some good news about GCSE examination success 2020.

GCSE 2020 – some highlights.

Another set of excellent results for St. Anthony's girls 2020 and very much in line with achievement and progress over many years. There are some slight increases in some headline figures. This was expected given both the ability of the particular cohort and government decisions at national level. Congratulations to all girls, staff, parents and governors.

Girls of all abilities, in our inclusive and mixed ability academy, have been very successful across all subject areas showing a continued trend of achievement and progress over time.

As well as achieving academic success, the class of 2020 have also participated in extensive opportunities to become involved in charitable fund raising, volunteering, sport, musical theatre, choir, Duke of Edinburgh Award as well as numerous educational visits. The academy community places great emphasis upon broadening horizons and encouraging all our students, and staff, to join in many and varied opportunities available locally, nationally and internationally prior to lockdown.

Yours sincerely,

M. Shepherd.
