

What can I expect if I send my child to St Anthony's Girls' Catholic Academy?

St Anthony's Girls' Catholic Academy is a caring and inclusive school that provides appropriate educational opportunities for a wide range of pupils. We have high expectations of everyone and we are ambitious in the pursuit of excellence for all. We have excellent facilities in all areas of our curriculum. We aim to develop successful learners, confident young people and responsible forward thinking young adults of the future.

We have cultures, policies and practices that include all learners. We aim to promote a sense of community and belonging and to offer new opportunities and experiences to our learners. We will not treat all learners in the same way, but we will respond to learners in ways which take account of their varied life experiences, interests, strengths and needs. We value diversity and promote the needs of all pupils.

We believe that educational inclusion is about equal opportunities for all learners, whatever their age, gender, ability, ethnicity, impairment, attainment and background. We pay particular attention to the provision for and the achievement of different groups of learners.
