18th December 2020

Dear Parent/Carer,

I do hope that you, your family, and friends have a safe and happy Christmas break. Your daughters continue to be a credit to you coping with all the challenges which this year has brought. You will see many of the activities they have been involved in within your copy of "Spotlight" magazine, which has been posted to you, with our Christmas good wishes.

You will have heard the very recent news, late yesterday, regarding the start of term in January and the planned government mass testing programme in schools. The current information is as follows:

Government announcement (17.12.20) regarding the start of term January 2021 and the government plans for mass testing in schools from January 2021.

As decided by the Government, the return to school at the start of the Spring Term will be staggered and there are government plans for mass testing within schools.

We have yet to receive information regarding how mass testing will be organised within schools and we need to plan for this to happen in a safe and orderly manner, once we receive this information from the relevant authorities. We will share the plans with you when these have been finalised. You will also be required to complete a "permission" pro-forma, if you wish your child to be tested.

The arrangements for the start of term are as follows:

1. Monday 4th January 2021 will be a staff training day. Consequently, the training day which had been planned for 2nd July 2021 has been cancelled. School will not be open to any students. This is to enable staff to plan for the mass testing arrangements, which will have been shared by the relevant government bodies by this point. Apologies for any inconvenience caused to parents.
