Mrs F. Collins
Senior Assistant Head Teacher
B.Sc (Hons), NPQSL

16th June 2021

Dear Year 8 and Year 9 Parents,

Emergency Facilities Issue

Further to my letter yesterday informing you of a serious plumbing issue preventing Year 8 and Year 9 attending school in person today (16th June), I am now able to provide an update on the situation.

Unfortunately, the failure of a water pump, which has led to a lack of toilet and hand washing facilities in a key building, cannot be resolved as quickly as I had hoped. Despite work last night and early this morning, they have only secured a temporary fix which does not solve the issue for the length of the school day. Although we have contacted numerous suppliers, we are unable to secure a permanent fix until the end of the week.

As such, Year 8 and Year 9 will need to access their lessons via Frog Learning Platform again tomorrow (Thursday 17th June) and potentially Friday 18th June. I will send a further update on Thursday to confirm this.

All other year groups and staff should attend school as normal during this time.

Once more, apologies for the inconvenience caused by this issue and please be assured we are doing everything we can to resolve this as soon as possible.

Please check the academy website and twitter account for further updates.

Yours sincerely,

M. Shepherd.

Mrs M. Shepherd
Head Teacher
