Y7 yard and McAuley

Every year group has their own social area. The Y7 yard is especially private with picnic benches, a grassed area for picnic blankets in the summer and a private toilet for Y7.

The surrounding building is called McAuley. This is the Y7 form class area as well as Music, English and RE classrooms. The brick building to the right is Westburn where you will find reception.

Westburn

This building is called Westburn or as you get to know St Anthony's better, many refer to it as reception.

This is where pupils go to be collected for medical appointments or will be looked after by first aiders if they are unwell. Our lovely admin team are based here as well as SLT (Senior Leadership Team) offices.

There are also ICT suites which are all equipped with Apple Mac computers.
