### **Charging Policy**

St. Anthony's Catholic Girls' Academy will not charge for books; materials, equipment, tuition, or any other associated costs for education provided as a compulsory part of the national curriculum, or as an essential part of the syllabus for prescribed public examinations.

The Head Teacher acting on behalf of the governing body reserves the right to invite parents/carers to make voluntary contributions for activities that take place either inside or outside school hours.

Where voluntary contributions are invited, it will be made clear to parents/carers the contribution necessary to enable the activity to take place.

No pupil will be prevented from taking part in any activity because her parents/carers were unable or unwilling to contribute, but it is possible that some activities will not run if parents/carers do not contribute.

Governors reserve the right to remit charges for any activity and for any student where individual circumstances make this desirable, within budget limitations.

- No student will be entered for a public examination, in any subject, in which she is predicted to obtain an unclassified grade.

### **Musical activities**

- An appropriate charge will be made to a student receiving individual or group tuition for a non-prescribed public examination or for activities that are additional to the National Curriculum.
