St. Anthony's 'HOPE' Exhibit 2021

Bishop Chadwick Catholic Education Trust

2. Introduction.

St. Anthony's is an 11-18 Roman Catholic Academy for girls serving the community within the City of Sunderland. It is part of Bishop Chadwick Catholic Education Trust. There are joint post -16 arrangements across St. Anthony's and St. Aidan's Catholic Sixth Form.

There are c.100 teaching staff (full-time and part-time) and 64 support and administration staff (some full time and some part time) at St. Anthony's.

The majority of the students are from the Roman Catholic faith tradition, given the ethos of the school, but applications are also invited from staff and girls of other faiths who are happy to learn, and work, within a Christian environment and join in all aspects of life within our community.

The wide catchment area, which covers the whole of the City of Sunderland, provides a genuinely comprehensive intake. Pupils attending the school come from very varied backgrounds. Many parents in neighbouring authorities seek to have their daughters educated at the academy due to its inclusive nature and often due to family connections. Sometimes three or four generations have been educated at the school since its foundation in 1904.

3. History and ethos.

The school was founded by the Sisters of Mercy during the 19th century and has a fundamental commitment to high quality education for girls. The academy is supported in its work by a Chaplain, Mr. David Harrison, RE department staff, staff from other departments and a Pupil Chaplaincy Team. The Chaplaincy Office is situated adjacent to the School Chapel which is the venue for weekly Mass, retreat events, opportunities for reflection and many smaller-scale liturgical activities.

Students from St. Anthony's and St. Aidan's attend an audience with Pope Francis

4. Location, site and facilities.

The school is situated in the centre of Sunderland within walking distance of train, metro and bus stations. It is a state of the art school situated within a garden site in

a conservation area. The school buildings consist of some listed Victorian buildings and some brand new buildings. All academy buildings have either been rebuilt or refurbished during the last ten years with over £20m being spent in capital investment during this period.

6. Behaviour and attendance.

Expectations with regard to pupil behaviour are high and the pastoral care of pupils is a strength. In the 2013 OfSTED rated behaviour as “**Outstanding**” and the 2007 OfSTED stated the behaviour of students was described as “**Exemplary**”.

Attendance is routinely 95% and punctuality is excellent and highly valued. In 2020 the academy received the Platinum Anti-Bullying Charter Mark having been in receipt of the Gold Anti-Bullying Charter Mark for many years.

7. Curriculum, examinations and entrance into the “world of work” or higher education.

The school sets high academic standards and has a strong commitment to the delivery of a broad and balanced curriculum. Over twenty subjects are offered at GCSE and thirty-eight at Advanced level.

Routinely a small number of the most able students are offered Oxbridge places and between a fifth and a quarter of students in the last three years have obtained places at either Russell Group universities or the most prestigious Scottish universities (often requiring straight A grades or a number of A*/A grades at A level during the last five years. Entry to Higher Education has been 80%+ during the last two decades.

8. Extended/extra-curricular activities.

Pupils also enjoy a wide range of extra-curricular activities. There are over one hundred and fifty groups, and individual meetings, each week ranging from Ski Club with an attendance of up to eighty to small one to one sessions linked to examination prep. Many girls and teams perform in sports at local, and sometimes national and international, level. There are very high participation rates in sporting and other extended curricular activities. Covid has impacted upon many activities 2020-present, but some activities went “on-line” and others are being re-introduced from September 2021.

Over three hundred educational visits took place during 2016-2019 (until the covid-19 pandemic) ranging from voluntary work in Swaziland, Ecuador and Cambodia to local and national history or art department visits eg. visits to the Leonardo Exhibition at the Winter Gardens and the National Gallery workshop held at Sacred Heart High School.

A summer school programme, specialising in Technology, for students transferring

from Y6 and KS3 pupils takes place during the first week of the summer holidays annually. There is also an Extended Schools programme for primary children which includes crafts, jewellery making etc. operating during term time. Many of our events from March 2020 had to be cancelled due to covid-19 restrictions but will gradually resume as and when this is possible. Our NASA Camp (Houston Texas) took place during February half-term 2020, 2018 and 2016.

Pupils are encouraged to be active citizens and take part in local events, charitable fund raising and volunteering as well as competing in local and national competitions.

The thriving Music department has undertaken many Music tours: Prague (2007), Dublin (2008), Cracow (2009), Rome (2010), Paris (2011), Oxford, Blenheim, Highclere and Magdalen College (2012), Venice and Verona (2013), Salzburg (2014) and Paris (2015), London (2016), Paris (2017), Amsterdam (2018) and London (2019).

The department has also presented highly successful productions for many decades: "Joseph" (2013) "Oliver" (2014), "Into the Woods" (2015), "Calamity Jane" (2016), "Songs from the shows" (2017), "The Sound of Music" (2018), "Guys and Dolls" (2019) and "School of Rock" (2020). Since Covid-19 we have enjoyed a fabulous virtual Summer Concert, a virtual Christmas Concert, virtual staff choir and a "Cabaret Show" is planned for February 2022.

The following outdoor pursuits/water sports residentials have been undertaken by the PE Department: Tossa De Mar Spain (2019), Argeles Sur Mer France (2018), Ardeche France (2017), Tossa De Mar Spain (2016), Ardeche France (2017), Argeles Sur Mer France (2014), Ardeche France (2013), Les Deux Alps, France (2012), Tossa De Mar Spain (2011), Ardeche France (2010), Embrun Spain (2009), Ardeche Spain (2008), Ardeche Spain, Italy (2007), Ardeche Spain (2006), Ardres France (2005) and Ardres France (2003). Sadly the 2020, and 2021, visits had to be cancelled due to covid-19.

St. Anthony's Ski Club meets every Friday evening at Silksworth Ski Centre, during term time, and large numbers of girls ski weekly. A number of Ski Club members have completed Ski Instructor qualifications and occasionally individuals, or teams, have competed in the English Schools' National Finals (team 4th place in 2006). Ski Club staff have organized the following ski tours: Vermont USA and city visit to New York (2018), Oetz-Solden Austria and city visit to Innsbruck (2017), Oetz-Solden Austria and city visit to Innsbruck (2015), Civetta Italy and city visit to Venice (2013), Jungfrau Switzerland and city visit to Lucerne (2012), Sierra at Tahoe USA and city visit to San Francisco (2011), Imst Austria and city visit to Innsbruck (2010), Civetta Italy and city visit to Venice (2009), Zell am See Austria and city visit to Salzburg (2008), Civetta Italy and city visit to Venice (2007), Civetta Italy and city visit to Venice (2006), Itter Austria and city visit to Salzburg (Easter 2005), Worgl Austria and city visit to Salzburg (Feb. 2005), Heavenly at Tahoe USA and city visit to San Francisco (2004), Passo Tonale Italy and city visit to Milan (Easter 2003), Cesana Italy and city visit to Milan (Feb. 2003), Sugarloaf USA and city visits to New York and Boston (2002), Grindelwald Switzerland and city visit to Lucerne (Easter 2001), Grindelwald Switzerland and city visit to Lucerne (Feb. 2001), Mont St Anne Canada and city visit to Quebec and Niagara (2000),

Scheffau Austria and city visit to Salzburg (1999), Sugarloaf USA and city visit to Boston (1998), Folgaria Italy and city visit to Venice (1997), Bellamonte Italy and city visit to Verona (1996) and Zell am See Austria (1995). Unfortunately, the 2020 visit was cancelled due to covid-19 but Ski Club has resumed in person from September 2021.

Visits to Derwenthill (Outdoor Activity Centre), situated on the shores of Lake Derwentwater, are arranged during May half term. Students from all year groups have the opportunity to participate in an activity week at Derwent Hill. The activities available are hill walking, kayaking, canoeing, climbing, abseiling, orienteering, gorge walking, a high ropes challenge and other team building activities. This is an annual visit which has taken place since 2006 and returns autumn term 2021.

Students also have the opportunity to attend Wimbledon. As well as watching the action courtside they also join the crowds on 'Henman Hill' and watch play on Centre Court on the huge TV screen. This is coupled with a sightseeing tour of London. This visit has been running annually since 2013 but has not been possible 2020 (Wimbledon cancelled) and 2021 (limited ticketing).

Selected girls form Y9-10 attend a challenge weekend where they are awarded points for their teamwork and leadership skills. "The Lakeside Challenge" competition is held over four weekends in the Lake District (Outward Bound Centre). This has been an annual visit since 2016. Large numbers of girls are also annually involved in preparing for Bronze, Silver and Gold John Paul II Awards, Duke of Edinburgh Awards and Arts Awards involving much community work, volunteering and service. Four girls have been awarded their Gold Duke of Edinburgh Award 2020-21.

b) Regional partnership:

i) Carmel ITT Partnership, Teach First ECF Partnership, Tees Valley Teaching School Hub Partnership and Schools North-East.

We are a lead school in the Carmel Teacher Training Partnership for Initial Teacher Training and have trained well over 100 student teachers during the last three years. We are also partners with Teach First for the delivery of the Early Career Framework (for those in their first and second year of training) as part of a Trust - wide initiative.

St. Anthony's was awarded Teaching School status in September 2014. This involved the academy in leading Beacon Teaching School Alliance and providing:

- Initial Teacher Training
- Continuing Professional Development
- School to School Support
- Research and Development

In 2021 existing Teaching School arrangements were re-configured to form regional "hubs". St. Anthony's, and the Teaching Schools within Bishop Chadwick Catholic

Education Trust, are now working as of 01.09.2021 with the Tees Valley Teaching School Hub which is based at St. John Vianney School, Hartlepool.

ii) Bishop Chadwick Catholic Education Trust.

All diocesan schools will soon be part of four large Trusts:

- Bishop Bewick Catholic Education Trust (north of the diocese)
- Bishop Hogarth Catholic Education Trust (south of the diocese)
- Bishop Chadwick Catholic Education Trust (east of the diocese)
- Bishop Wilkinson Catholic Education Trust (west of the diocese)

Our trust, Bishop Chadwick Catholic Education Trust, currently consists of twelve primary schools and five secondary schools with diocesan plans for over thirty schools to eventually join the trust.

iv) Schools North-East:

info@schoolsnortheast.com

A forum consisting of schools of all types across the North-East of England. The Headteacher is a Board member of Schools North-East. The school is a Partner School and the Trust is a Partner MAT. Staff at all levels are involved in training events and initiatives across the region and beyond as part of this well- established network which has engaged with over 1,000 N.E. schools, across all sectors and phases, during last academic year.

v) Local, national and international universities:

The school has connections with universities across the country and in particular very strong links with our five local universities:

- University of Sunderland;
- Durham University;
- University of Newcastle;
- University of Northumbria and
- University of Teesside.

Girls annually travel to over thirty universities to study over thirty different subjects. Girls have occasionally undertaken academic and sporting scholarships to the USA eg. Bryn Mawr to study languages. A small number of particularly able students will also annually apply to Oxbridge and very prestigious courses in a whole host of other universities which require the highest grades.

c) National partnership:

- **CATSC** (Catholic Association of Teachers, Schools and Colleges) : www.catsc.org.uk
- **CESEW** (Catholic Education Service England and Wales): www.cesew.org.uk
- • Links via the Diocesan YMT (Youth Ministry Team) to **CYMFED** (Catholic Youth Ministry Federation): www.cymfed.org.uk

Blessing upon St. Anthony's Academy (14th July 2017)

This was written by a student for the opening of our new facilities by past pupil
The Right Honourable Lady Justice Kathryn Thirlwall D.B.E.

Bless this school,
and those who built it,
for the education
of our young people.

Bless our students, staff,
parents, governors,
parishioners and all who promote
education in our community.

May this school always be
a home of mercy and goodwill,
so that together we can build
your kingdom of mercy,
justice and peace.
Amen.
