

Music Curriculum Map

KS5

Our A Level music curriculum is designed around the AQA specification, with the development of composing, listening and appraising at the heart of each module. Performance is developed during one-to-one peripatetic tuition. Learning is sequenced so that each module builds on prior skills acquisition and knowledge and develops this. Our extra-curricular offers opportunities to further explore and expand these skills.

Exam Preparation and Revision
Students complete their NEA compositions and prepare for their performance examinations. Revision of all Areas of Study so far.

AOS1: Western Classical Tradition: Baroque, Classical and Romantic

Students learn more in-depth musical features of music from 1650-1910 and learn how to analyse excerpts from this time. Students also learn the composing conventions of this time and learn how to apply these in a composition.

Module 1

AOS1: Baroque Concertos of Bach, Purcell & Vivaldi

Students study six Baroque concertos in depth, learning how to write about these pieces as an extended answer.

Module 2

Composition
