n Applied Science we aim to guide students to become scientifically knowledgeable, scientifically literate and methodical problem solvers, by fostering a spirit of independent inquiry, nurturing curiosity and bringing current, relevant, real world science into the classroom.

Applied Science

Curriculum Map

BTEC Applied Science is a vocational qualification in Science that is equivalent to one A Level. It is a two year course and is split into 4 modules, two of the modules are exam based (1 and 3) and two of the modules are coursework based (2 and 12). The course contains a mixture of Biology, Chemistry and Physics. There is a lot of hands-on practical activities that supplement the theory lessons. Applied Science is ideal for students who wish to pursue a career in Science such as nursing, lab technician or as a biomedical scientist.
