5<sup>th</sup> March 2022

Dear parent/carer,

## Year 9 Options 2022

Monday 7<sup>th</sup> March 2022 marks the start of Year 9 options month. The original dates were changed from their usual time slot in the academic calendar due to COVID restrictions in January and February.

We have been busy working on a series of remote opportunities for you to contact staff and gather information that your daughter will need to make her choices. One opportunity is the virtual parents night on Tuesday 8<sup>th</sup> March 2022 for which you will have already have had a letter explaining how so make appointments.

Another opportunity to find information is via our website:

[www.st-anthonys-academy.com/news-events/year-9-options-2022/](http://www.st-anthonys-academy.com/news-events/year-9-options-2022/)

On this dedicated Year 9 option page you will find:

- A 15 minute presentation from Mr McDonagh, Deputy Head, about the options process
- A downloadable booklet of information about the courses in St Anthony's that will be taught in Key Stage 4 in the academic years 2022-24.
- A series of short information movies about the option subjects.

We hope that this will be the starting point for all year 9 as they begin the process of selecting their options. This website is now live and will remain so over the full option period.

To complement the website, Mr McDonagh will make a presentation to all Year 9 during classroom visits on Monday 7<sup>th</sup> March 2022. He will be explaining the process as well as visiting each child in class to issue them with and explain their options pathway. Subject leaders will be organising talks in lessons explaining what students can expect in that subject at Key Stage 4. For the new subjects of Enterprise and Childcare whole year group presentations will take place remotely during tutorial time.

Students are encouraged to speak to their subject teachers about their suitability to study courses. They should also take the opportunities during tutorial times to speak with tutors or other pastoral staff to help them make their decisions.
