Chaplaincy Team - Prayer

Loving Father,

help me to have a listening heart, and form relationships
that are open and supportive of others.

Let the space between me and my friends become a
place where others can feel safe.

Be in that space to help and to heal hurts where our
experience and wisdom fall short.

We ask this in the name of Jesus,

Our Risen Lord.

Amen.

Your views are important in providing us with helpful insights to enhance the quality of education in school. The feedback provided will be used to

We could be grateful if you could complete the [survey](#) 9am on Wednesday 18 May.

The Health Bus

Pupils from year 7 participated in a Better Mental Health Event on 4th May, organised by the School Nursing Team. The students got involved in a variety of activities, promoting wellbeing and self-esteem. There was even a bus on site, where the girls played a game of Emoji Bingo! All students engaged with the activities and enjoyed their time at the event. The School Nursing Team were really impressed with the behaviour and involvement of our Year 7 pupils.

Safeguarding - On-line safety

Most teenagers are using social media daily: to keep your child safe, please monitor their use of social media and adhere to the age restrictions which are in place. Unfortunately, a minority of teenagers do use social media in an inappropriate way, so it is important that parents know what their children are doing when they are

on-line. Please remember that mobile phone use is not permitted in school and any inappropriate use of social media linked to the academy will lead to sanctions.

Modern Foreign Languages (MFL)

Our sixth form linguists had a wonderful evening of 'dinner and chat' hosted at school by our amazing catering team on Thursday 5 May. A range of food to choose from (almost impossible decisions to make) and great company saw everyone enjoying themselves with non stop communication in French or Spanish. Our dual linguists even switched between both foreign languages at one point. An amazing evening! The MFL department are so proud of these pupils, they were a pleasure to spend time with and their participation in the event, despite being a little nervous, was fantastic!

Congratulations to Annabelle Jennings (Year 9) who competed in the second regional qualifiers for North of England trampolining at the weekend. Annabelle placed 4th in DMT and 1st in trampoline. Good Luck for the next round in June.
