

Y7 How You Can Help Your Child Revise Effectively...

For some of our students, formal exams have been something they have not completed regularly or at all. We are aware that all students have had significant disruption over the last two years. In order to support you to support them effectively at home, we would like to give you the following information:

The Topics your child will be tested on are:

- Multiples, Square and prime numbers
- Sequences
- Quadrilateral identification
- Angle sums
- Simplifying expressions
- Rounding
- Percentages of amounts
- Solving two step equations
- Standard form
- Function Machines
- Angles in parallel lines
- Algebraic fractions
- Substitution
- Angle sums

Hints and Tips:

- Effective revision is all about repetition and answering questions about the topic.
- Test yourself, make notes and then test yourself again.
- Use the resources online to help you.
- Small bite size revision is the key (regular and often)

All end of year exams will take place between Monday 6th June and Friday 17th June for Y7,8 and 9.
