

## Y9 How You Can Help Your Child Revise Effectively...

For some of our students, formal exams have been something they have not completed regularly or at all. We are aware that all students have had significant disruption over the last two years. In order to support you to support them effectively at home, we would like to give you the following information:

The Topics your child will be tested on are:

- Ratio
- Probability
- Squares/powers and roots
- Volume
- Probability including probability trees
- Inequalities
- Solving up to 2 step equations
- Transformations
- Drawing straight line graphs
- Percentages of amounts
- Highest common factors
- Similar triangles
- Density
- Pythagoras

Recommended revision sites/resources:

Hints and Tips:

- Effective revision is all about repetition and answering questions about the topic.
- Test yourself, make notes and then test yourself again.
- Use the resources online to help you.
- Small bite size revision is the key (regular and often)

All end of year exams will take place between Monday 6<sup>th</sup> June and Friday 17<sup>th</sup> June for Y7,8 and 9.
