

How accessible is the Academy environment?

St Anthony's Girls' Catholic Academy is fully accessible. For students with physical needs, the majority of floors are accessible by lifts and the corridors are wide enough to cater for wheelchair users. Where appropriate students will be timetabled in ground floor accessible classroom. Specialist equipment, if appropriate, is provided by the Health Authority supporting the individual and is monitored on a termly basis. There are accessible toilets available for student use. All safeguarding procedures and risk assessments are in place and adhered to by all staff. An Accessibility Plan is in place. For further information, please see the Accessibility Plan and Disability Policy.
