Dear Parent/Carer,

We are looking forward to welcoming your child to our transition days at St Anthony's Girls' Catholic Academy on Tuesday 28, Wednesday 29 and Thursday 30 June 2022. During these three days your child will take part in a range of lessons and activities to prepare them for life in secondary school. Below are some key reminders to prepare you and them for the three days:

What to expect

During the course of the three days your child will:

- Take part in taster lessons from a range of different subjects they will be studying in Year 7
- Meet their form tutor and other members of their form class
- Meet the Headteacher and leadership team, and staff with key responsibilities in school
- Have assemblies with key information, including our online systems and safety
- Have a tour of the school, have their biometrics recorded ready for lunches in September
- Take part in a year group liturgy at the end of the three transition days

Timings of the day

Your child should arrive for registration at **8.45am** and enter via the pupil entrance on Thornhill Terrace. The school day ends for Year 6 students at **3.15pm**. Morning break is 9.40am-10.00am and lunchtime is 12.00am-1.20pm. *Please note: parents/carers are advised not to drive up Thornhill Terrace to avoid congestion and to help safeguard our students.*

What to wear

Your child should arrive in their primary school uniform. To fully prepare them for September we ask that they adhere to our uniform policy and ensure long hair is tied up, no make-up, false nails, false eyelashes or any jewellery other than a wrist watch is worn.

What to bring

- A suitable bag to hold all equipment.
- Equipment for the day: a pen, pencil, ruler, rubber, notebook and trainers/gym shoes for PE lessons.
- A water bottle (must be kept in bags during lessons).
- A packed lunch if not having a school lunch (more information below)
- Any medication required by your child (**please ensure you have made our staff aware in advance of any medical needs or allergies**).

*Please note: Mobile phones can be brought into school but **must** be switched off at all times during the school day.*
