

## **What additional intervention may my child receive at St Anthony's Girls' Catholic Academy?**

For a small number of students who require additional support we have specialist interventions which support our curriculum. Specialist interventions may include:

- 1:1 literacy and numeracy tuition
- Targeted subject teacher support for individual students
- TA support in lessons
- Staff mentoring programmes
- Y11 timetabled after school revision
- Access to Heggerty maths, SAM learning, Renaissance learning – online intervention which can be accessed at home
- 1:1 work with TA's/small group interventions (reading, phonics, handwriting, pre-teaching of subject specific vocabulary, numeracy, preparation for adulthood, study skills)
- Individual assessment of students needs to support them accessing the PE curriculum e.g. modification of tasks to support a physical disability, additional adult support where appropriate, working with preferred partners/buddy system
- Adapted materials or equipment
- Social Skills Group support
- Educational Psychologist assessment
- Behaviour Intervention Team support
- Peer tutoring
- Subject specific intervention e.g. coursework support sessions
- Homework Club
- SEMH and wellbeing support groups
- Preparation for Adulthood support sessions
