

What clubs and extra curricular activities are available to my child?

The Academy offers a wide range of opportunities to our students. We run various activities before, during and after the school day. All clubs and extra-curricular activities are inclusive and are offered to all students. SEND students will be given the opportunity to fully participate in all educational visits, extra curricular clubs, fieldwork trips etc. Any additional support that may be needed for a student to access a club or activity can be discussed with the SENDCO.

We are committed to providing a wide range of extra-curricular activities to increase the opportunities for students of all ages and abilities. We try to offer a range of clubs/classes that our pupils will find enjoyable such as:
