

For some of our students, formal exams have been something they have not completed regularly or at all. We are aware that all students have had significant disruption over the last two years. In order to support you to support them effectively at home, we would like to give you the following information:

The Topics your child will be tested on are:

1. Cells
 - Cell structure
2. Organisation
 - Digestive system
3. Communicable diseases
 - Pathogens
 - Antibiotics
 - Aseptic technique
4. Bioenergetics
 - Respiration
 - Photosynthesis
5. Homeostasis
 - Hormones
 - Nervous system
 - Eye
 - Menstrual cycle
 - Kidney

We are following AQA GCSE Combined Science Trilogy

Hints and Tips:

In calculations: 1. Always show your working out.

2. There is usual a mark for substituting you values into an equation.

3. Don't leave answers as fractions, change them into decimals.

4. Always remember your units.

Remember there are 1000mm in 1m, 100cm in 1m and 1000m in 1km.
