### Hints and Tips for students:

**Topic checklists** – speak to your teacher if you need a list of topics covered on the marketing and finance for enterprise unit

Use lists to RAG rate your understanding of each topic/question. Focus on your red topics first so that you have chance to revise them more than once.

Never just read your notes – this is not effective revision. The best way to revise is to turn them into something else! - Mind-maps, flashcards, flowcharts etc

Complete past papers - speak to your business teacher for these

If you are really struggling with a topic, even after you have revised it, speak to your business teacher who will always be happy to help

All Y11 mock exams will take place between Tuesday 11<sup>th</sup> October and Friday 4<sup>th</sup> November
