

How You Can Help Your Child Revise Effectively...

For some of our students, formal exams have been something they have not completed regularly or at all. We are aware that all students have had significant disruption over the last two years. In order to support you to support them effectively at home, we would like to give you the following information:

The Topics your child will be tested on are:

Hazards

Ecosystems which will involve tropical rainforest and deserts

Coastal Landscapes

River Landscapes

Urban Issues and Challenges

Changing Economic World

Recommended revision sites/resources:

Hints and Tips:

- Break your revision down in small bitesize geography chunks
- Make revision cards on the main concepts
- Look at how many marks the question is worth to give you an indication of how much detail you need to go into
- Highlight the command word in the question (bug the question)
- Use a glossary of all the key words that can be included in longer answer questions
- Take the bbc bitesize quizzes on each topic to check your factual recall knowledge
- Most importantly start your revision early and don't leave it to the last minute
