

How You Can Help Your Child Revise Effectively... CORE MATHEMATICS

For some of our students, formal exams have been something they have not completed regularly or at all. We are aware that all students have had significant disruption over the last two years. In order to support you to support them effectively at home, we would like to give you the following information:

The Topics your child will be tested on in Core Maths are:

- ***Percentages***
- ***Fermi Estimation***
- ***Working with Data – Graphs and Charts and Calculating averages and standard deviation***
- ***Correlation and Regression***
- ***Financial Maths – Tax, National Insurance, Savings and Loans, Interest Rates, VAT, Budgeting***
- ***Critical Analysis of Data – Interpreting and critiquing data, graphs and charts***

Recommended revision sites/resources:

- ***Hegarty Maths***
- ***MyMaths***
- ***CorbettMaths***
- ***Maths Genie***
- ***FROG for past papers***
- ***Physics and Maths Tutor***

Hints and Tips:

- ***Use past papers to help with your revision and to highlight your areas for improvement***
- ***Use topic question booklets to target specific areas***
- ***Contact staff for any specific support or guidance needed – by email if not in person***

All Y13 mock exams will take place between Monday 31st October and Friday 11th November
