Loving God,

Let us work together to create a just world in the true spirit of our Mercy tradition and as she said: "...to resolve to be good today but better tomorrow."

We ask this through Christ our Lord.

Amen.

It is essential that students embark on a path that not only allows them to reach their potential, but also offers them the opportunity to progress their learning post-16.

To this end, through careful assessment and evaluation, we will steer the students towards a path that fulfils this aim. We use a range of data to support us in making this decision: Performance in languages

Aspiration for all students at St. Anthony's

- A minimum of 5 grades at or above level 5 or equivalent including English & Mathematics
- Grade 6 or better in subjects that students wish to study at A-Level
- Merit or better in vocational subjects that students wish to study at Level 3

Course developments

We are continually reviewing our provision to ensure that we offer a broad range of courses, which are of the highest quality and prepare students fully for their next steps.

We are exploring the possibility of introducing Health and Social Care as an option for September 2023. This depends upon a number of factors, including recruitment, and so is currently unavailable as an option choice. Further information will be available in due course.
