

Sixth Form Rewards and Sanctions

At St. Aidan's & St. Anthony's Catholic Sixth Form we aim to create a positive culture that promotes the highest standards of behaviour, ensuring that all students have the opportunity to learn in a calm, safe and supportive environment. We are a Catholic community, which provides all individuals with the opportunity to flourish in a way that is rooted in the values of the Gospel.

Our rewards' system recognises the achievement of our students in subject areas and wider school life. We encourage all students to be ambassadors for our Sixth Form and display high standards of behaviour, excellent attitudes and act as role models to our younger pupils.

Serious Incident / Suspension Protocol

If a serious incident occurs at the Academy, a full investigation would be undertaken. This would involve taking statements from pupils and staff where needed. Parents will always be informed when we are dealing with a serious incident. At times, we may need to house a pupil in the Emmaus during an investigation. When we have completed our investigation parents will be asked to attend the Academy to discuss the incident and possible ways of resolving the situation. Members of staff have the power to use reasonable force to prevent pupils committing an offence, injuring themselves or others, or damaging property, and to maintain good order and discipline in the classroom. Suspension using guidance from the DfE, the Headteacher will exercise his / her statutory right to suspend, should this be necessary.

Any pupil who receives 15 days or more suspensions in one term will be asked to attend a Governors meeting with their parents. Any pupil who exceeds 45 days suspension in one academic year will be permanently excluded. The DfE trust Headteachers to use their professional judgement based on the individual circumstances of the case when considering whether to exclude a pupil.

Examples of circumstances that may warrant a suspension or permanent exclusion

- Physical assault against a student
- Sexual harassment and abuse
- Verbal abuse or threatening behaviour against a pupil
- Bullying
- Theft or deliberate destruction of property
- Any deliberate displays of intolerance on the grounds of difference e.g. race, sexuality, appearance, gender, disability etc
- Inappropriate language / behaviour towards a member of staff
- Defiance towards staff
- Vaping, illegal drugs, alcohol or tobacco

- Possession of banned items e.g. bladed items.

Suspensions are discussed at KS Meetings and previously suspended students are placed on a monitoring list.

Permanent exclusion is only ever a last resort in response to a serious breach or persistent breaches of the school's behaviour policy and where allowing the student to remain in school would seriously damage the welfare of the student or others in the school.
