

# Y10 Parent and Carer Information Evening

St Anthony's Girls' Catholic Academy

# Welcome

Mr Liam Milne

St Anthony's Girls' Catholic Academy

# Housekeeping

- Evacuation: no planned fire drill; nearest exit is entrance used coming in tonight; assembly point Thornhill terrace; staff will direct you

# Building Communities

Loving God,  
Help me to see the good in  
people,  
Through sin and evil.  
Guide me towards the goodness of  
your love as we unite as one  
community in dignity.  
God, please bless us with the  
presence of your love,  
As we strive towards good deeds,  
And help those in our community  
who are in pain or struggling.  
Amen

# Session aims

- 🏰 To share the KS4 curriculum journey your child is on.
- 🏰 To explain GCSE grading and how we will track, assess and report progress of all students during KS4.
- 🏰 To look at key ways we can support our young people with their well-being and personal development through KS4.
- 🏰 To introduce our Sixth Form offer at KS5.

  - Applied Science
  - Business Studies
  - Sport
  - Engineering

# Entry Requirements...

- Entry Requirements for Sixth Form to study 3 A-Level/BTEC courses are a **minimum of 5 GCSEs including 3 at Grade 5 and 2 at Grade 4 or better.**
- Entry Requirements for Sixth Form to study 4 A-Level/BTEC courses are a **minimum of 5 GCSEs at Grade 7 or better.**
- Those students who have achieved between 5 GCSE Grades at 4 and the Standard Entry Requirement should talk to the Academy about individualised programmes of study based on a reduced list of options.

# Effective Study

Mr Liam Milne

St Anthony's Girls' Catholic Academy

# Independent Study - Learning Environment

- Find a quiet space to study
- Remove distractions (i.e. their phone!)
- Make sure they have all the equipment needed to study effectively:
- Paper (lined and plain)
- Pens (some different colours will be helpful)
- Highlighter (NOT for highlighting everything randomly!)
- Post-it notes
- Flash cards
- The school will provide these things for anyone who needs support with this (no excuses!). If anyone is struggling with equipment you might need, talk to your form tutor.

# What do the experts say?

- Spaced practice v Cramming = doing small amounts of revision over a longer time has been shown to increase knowledge retention. This means that students can remember stuff for longer when they do it this way.
- The homework set in class by teachers will support the development of long-term memory. This is why it is vital it takes place!
- Cramming relies on your short-term memory. This has limited space.
- In short: you are likely to remember more if you study throughout the two years. You will not remember everything if you leave your study to the night before your GCSE exams.

# What are the most effective techniques?

- Revision Cards
- Note taking (e.g. Cornell method)
- Graphic organisers (e.g. mind maps)
- Knowledge organisers
- Quizzing (e.g. online revision sites often have these)
- Complete practice exam questions (these are available on the exam board websites).
- More information on these can be found on the school website:

<https://st-anthonys-academy.com/parents/revision-strategies-that-work/>

# Our Reading Curriculum

- Reading is fundamental to being able to successfully access the curriculum
- We have made some changes to ensure reading sits at the heart of everything we do as a school to support this
- This is all evidence-based:
  - Reading in form time
  - Reading interventions
  - Reading within lessons

# Our Reading Curriculum

How you can help...

- Read along with your child (access to online library coming soon)
- Discuss what they are reading at home - ask questions
- Encourage them to read around their subject (each year group has a reading list)

# Assessment throughout our Curriculum

- Assessment is an on-going process which supports the curriculum and student development
- In order to be effective, it should be used to inform planning for future lessons and individual interventions
- It includes formal and informal (e.g. questioning and practice during lessons) assessment

# Reporting progress through our Curriculum

- We have moved away from written reports
- In KS4 we move away from ‘Surface, Deep and Transfer’ to grades aligned with our GCSE / BTEC offer
- In the reports you will receive:
  - An Attitude to Learning
  - WAG = teacher estimation of the current level they are working at based on key tasks and other relevant evidence
  - PFG = teacher estimation of what they believe the pupil is capable of achieving if they maintain their current rate of progress and effort

# Personal Development

Mrs Laura Dudley

St Anthony's Girls' Catholic Academy

# Personal Development

As a Mercy Academy we are committed to forming the 'whole person':

- **Personal Development lesson Friday p1:** Health and Wellbeing, British Values, First Aid and E-Safety, Relationships and Sex Education, Work related learning (careers).
- **Work experience placement** for five days starting 1 July 2024 and careers advice and guidance throughout the year.
- **Enrichment opportunities:** examples Duke of Edinburgh award, Creative Writing Club, Senior Choir, Football, Arts Award, Pupil Librarian Scheme, Safe Space and Empower, Dance.
- **Student leadership opportunities:** examples House Captains, School Council, anti-bullying leads, mental health champions, Eco-Committee, Pupil Chaplaincy.
- **External speakers:** examples Violence Reduction Unit, County Lines and Exploitation.
- **Trips and visits:** examples Army visit, music and sport events, July activities week.

# Careers Programme: Year 10

Careers Key Theme	Personal Development Curriculum	Key Events and Opportunities
<b>Experience</b>	<ul style="list-style-type: none"><li>• Progress towards careers action plan</li><li>• Interview skills and techniques</li><li>• Mock interviews</li><li>• 21st century careers</li><li>• Labour market information</li><li>• Work experience preparation</li><li>• Health and safety in the workplace</li></ul>	<ul style="list-style-type: none"><li>• 'Awareness of apprenticeships and T Levels' by ASK</li><li>• Employer encounters: meeting ambassadors from the world of work</li><li>• Nissan/Vantec experience</li><li>• Army Youth Challenge experience</li><li>• Work Experience (1 week)</li><li>• 1:1 Guidance appointment</li><li>• National Careers Week and National Apprenticeship Week activities</li><li>• Careers Fair</li><li>• Careers Champions: student leaders</li></ul>
