My Y7 experience has been amazing as I have made lots of new friends and best friends too. I have tried lots of new sports which has allowed me to take part in competitions in running, football and lots more. All of the teachers and staff at St Anthony's are really kind – you have a form tutor you can go to with any worries you may have and they will help you. Everybody is so welcoming and I know you will have a great time here too!

Being in y7 is amazing!

The teachers are kind and always help you along your journey at St Anthony's.

I have had a great first year here and can't wait for the next years to come!
