# All About St Anthony's Academy

## A Helpful Guide to Transition

### Objectives:

- ▶ To give Y6 staff, pupils and families/carers key information about life at St Anthony's.
- ▶ To help our future pupils feel prepared for their transition into secondary school.

# A message from Mrs McGann: Transition Co-ordinator

Hello! I am Mrs McGann and I am a Spanish/French teacher and the KS2-3 Transition Co-ordinator. It is my job to help you help you move from primary to secondary school. This guide will give you a lot of new information, hopes to answer any questions you may have and will tell you everything you need to know as you become a St Anthony's pupil. I hope this will help you if you're feeling a bit nervous about coming to a new school – the staff at St Anthony's can't wait to meet you!

# What does the word 'transition' mean?

A transition is a time in your life when something **changes**. For you it is a change of school.

Some of us might find change **exciting**; some might find it **nerve-wracking**; some might feel a bit of both!

We understand this at St Anthony's and all our staff are here to **help you** settle in.

# Form Classes and Houses

There are 4 Houses at St Anthony's:

Thomas

Lourdes

De Salles

Gabriel

Each House is made up of form classes from Y7-11.

So you will be in a form class with other Y7 students but your House will be with all year groups.

You will have a form tutor who will look after you daily in registration and form time.

You will have a Head of House and Assistant Head of House too.

There are approximately 30 pupils in a form class. You will have some lessons with this class: art, music, technology, CIAG, PE.

# **Form classes**

Mrs McGann (Transition Co-Ordinator) works with your Y6 class teachers to try to place you with at least 1 friend from your school or someone you may know from another school.

If you are coming from your primary school on your own, you will be placed with other students who are in the same position, so you know you aren't the only one.

# Form Tutors

You will find out who your form tutor is when you come to St Anthony's for the Transition Days on

**Tuesday 25<sup>th</sup> June – Thursday 27<sup>th</sup> June.**

Your form tutor is the first person you go to if you have a problem or a question about something (e.g. homework, friendships, medical appointments)

You see them twice a day – during morning registration (8.30-8.50) and form time (11.00-11.30)

# Worried about homework?

You will be studying many subjects and so will get more homework. Being in secondary school is a time for you to become more **independent** and **organised**!

You will be given a planner on the first day in September – your form tutors will teach you how to use it effectively and will help you whenever you need it.

We also have a homework club for Y7 on a lunchtime to help you keep organised!

# Catholic Life

Our faith is a very important part of life at St Anthony's.

We pray every morning and afternoon as a year group, in form class and during lessons. You will even learn to pray in French or Spanish!

Every Friday we celebrate mass which every form class is invited to attend.

We also have Chapel time when form classes are invited into the chapel to lead their own prayers.

If you are not Catholic, you do not need to worry, you are welcome to learn the prayers over time and join in.

If you have a faith already and prefer to opt out of praying, we just ask that you show respect during prayer time.

We are very privileged to have Ms. Szczepanska as our Academy Chaplain.

Click the link below for more information about our Chaplaincy:

# The Hail Mary

*(In the name of the Father, and of the Son and of the Holy Spirit)*

Hail Mary, Full of Grace, The Lord is with thee. Blessed art thou among women, and blessed is the fruit of thy womb, Jesus. Holy Mary, Mother of God, pray for us sinners now, and at the hour of death. Amen.

*(In the name of the Father, and of the Son and of the Holy Spirit)*

# Equipment

At secondary school you have to be organised and more independent.

You will be given some equipment from your teachers (exercise books, folders, textbooks) but there is some equipment you need to bring every day.

## **Equipment to bring every day:**

- Pencil case (any colour, it doesn't have to be black or navy!)

- Reading book
- Planner and timetable (you will receive these on your first day)
- Plain black/navy school bag
- Correct uniform
- PE (on days you have PE or a sports club)

# School Rules

In September you will be given a Planner. Inside the planner there are a few lists of rules, you and your parent/carer must sign to say you agree to follow the school rules.

- Wear the correct uniform.
- Be prepared to learn – have the right equipment, PE kit, homework and attitude.
- Bring planner to every lesson. The planner should be signed on a weekly basis by their tutor and parent/carer.
- Be respectful to all staff, students and the school building.
- No chewing gum or eating in class.
- Only water allowed in class – no fizzy drinks.
- Arrive to the Academy on time and go to the Y7 yard or canteen. If it is raining, go to your bad weather area.
- There is lots of time at break and lunch hour for pupils to use the toilets, the class teacher will allow a child to leave the lesson in an emergency or if they have a toilet pass from Mrs Perrett. Y7 have their own toilets during break and lunch.

**ARE THESE RULES VERY DIFFERENT TO YOUR SCHOOL NOW?**

# Mobile Phones and Social Media

Mobile phones must be **turned off** and **not taken out of bag** until you have left the school grounds. Teachers who see you with a phone have the right to confiscate it from you and you must go to reception at 3.00pm to collect it or a person from home may have to come to collect it.

**We are trusting you to follow this simple rule, there are serious consequences when phones are used on site.**

**Social Media** is also a growing problem in school as students are getting to know each other in school, they very often get to know each other online too. We work hard to educate the students on safe and sensible social media use. Here is some advice for parents – working together is key to safe and positive internet use. # Your first day:

## Common Questions

### **WHAT TIME DO I ARRIVE?**

- The school day starts at 8.30am (everyone in form class). You must be in school before then to be on time for registration.
- School is open from 8am the gates are locked at 8.30am and the Senior Leadership Team monitor who is arriving at 8.30am.
- If you are very late, go to the top gate on Thornhill Terrace, press the buzzer on the black gate and go to reception to sign in.

## Your first day:

### Common Questions

#### **WHERE DO I GO WHEN I GET THERE?**

There will be staff and students at the gates waiting for you to arrive on your first week in September and on the Transition Days in June.

They will guide you to the Y7 yard.

# Your first day:

## Common Questions

### **WHAT TIME DOES SCHOOL FINISH?**

The school day ends at 3.00pm.

We recommend you do not get collected by car on Thornhill Terrace as it is extremely busy. We recommend parking in the streets nearby.

# Your first day:

## Common Questions

### **WHAT IF I GET LOST?**

Don't worry about getting lost, to be honest it is very likely that you will! There will always be a teacher or another pupil who is willing to help!

## Your first day:

### Common Questions

#### **WHAT IF I'M NOT CATHOLIC?**

Do not worry about not being Catholic or if you have a different faith. We ask that you either join in the prayers or simply be respectful as we worship.

# Your first day:

## Common Questions

### **WHAT IF I FORGET SOMETHING?**

Share any worries you have with your form tutor during form time (11-11.30am) and they can solve the problem for you!

## Your first day:

### Common Questions

#### **AM I ALLOWED TO BRING A MOBILE PHONE?**

Yes, pupils are allowed to bring their mobile phones, but we recommend you only bring it if you really need to use it for travelling to and from school. It will be your responsibility to look after it – it **must be switched off** as soon as you enter the school gates and **it cannot be used/looked at throughout the day**. Any pupil found breaking this trust will have their **phone confiscated, detention** given, will be placed on **report** to monitor this behaviour or **excluded** from school. **We are trusting pupils to be mature and responsible**, and we take it **very seriously** when this trust is broken!

# Your first day:

## Common Questions

### WHAT IF I NEED TO CONTACT HOME DURING THE SCHOOL DAY?

This will probably be very rare – it may be because you have forgotten to bring your PE kit or you have forgotten dinner money for example.

You must **NEVER use your phone to contact home**. If we discover you have done this there will be consequences.

Whatever the issue is, always talk **to your form tutor** first as they will be able to solve the problem!

## Top Tips from our Y7s...

Be confident to be yourself. Treat everyday as a new opportunity to make friends.

Get to know the people that you sit next to and don't be shy! It'll be great!

Get involved with as much as possible. There's something for everyone!
