

MFL Curriculum Map

In MFL we aim to develop language skills in a variety of contexts and encourage a greater knowledge and understanding of grammar. Our courses encourage an imaginative and creative use of the foreign language and offers insight into the culture of where the language is spoken. Our MFL curriculum allows all of our pupils to achieve in the study of foreign languages. We aim to develop social skills by encouraging pupils to express opinions in a safe space.

At KS5 you will continue to build on your vocabulary, grammar and phonic knowledge from KS4. You will look at some similar topics in greater depth, for example social issues and culture.

Final Exam Preparation

Media, Technology and our environment

Module 1 extends our detailed description of free time to include media and new technology. We will also look at the impact of technology on society as well as wider environmental issues. This is also a change to revisit our own environment- **home and local area**.

Travel and Tourism/ Revision Programme

We begin by expanding our knowledge of travel and tourism from KS3 to include **travel, activities, preferences and a range of tenses**. Content, skills and strategies will be reviewed, practised and expanded upon as part of a comprehensive revision programme covering topics studied from Y10-11.

Exam Strategy and Preparation

Content will be continually reviewed as part of intensive practice and application of exam strategy and technique.
