

In history we aim to enthuse pupils with an interest in the academic discipline of history. We aim to enable pupils to develop the key skills of the discipline to be able to write like confident historians. Our curriculum allows all pupils to reach their potential both academically and socially. We aim to inspire interest, and encourage pupils to reflect on the lessons the modern world can take from a study of the past. We aim for pupils to develop a sense of context whereby they can make better sense of the conflict and tension in the modern world
